

# **New Consultants Course - 2024 - By Invitation Only**

**Start Date: 11/7/2024**

**End Date: 11/8/2024**

British Orthopaedic Foot & Ankle Society

This course is invitation only and is only open to those who have received an email inviting to register for the course.

The format is not that of a course, but rather a forum covering key topics of relevance to both Fellows and Consultants through 'round table' and small group discussions. Some topics for presentation will need preparation by attendees beforehand and many of the sessions will be chaired by the attendees. The course includes a final day of cadaveric dissection and runs over two days.

## **Location(s)**

Coombe Abbey Hotel  
Brinklow Rd
